

## Where are the places in our town?

Dragi moji učenici, vrijeme je za spajanje znanja 😊

Naučili smo nazive raznih mjesta u gradu, npr. *a bank, a museum*. Naučili smo i kako se kazuje gdje se nalaze neki predmeti u kući ili stanu, npr. *There is a lamp on the table*. Sada ćemo spojiti ta znanja i naučiti kako se kazuje gdje se nalaze mjesta u gradu.

1. Prvo se prisjetimo riječi koje nam govore gdje se što nalazi. U BILJEŽNICU zapiši naslov, a zatim uredno prepisi sve riječi.

### Where is it?

in - u

in front of - ispred

behind - iza

opposite - nasuprot

between - između

near - blizu

next to - do, uz (bliže od near)

to the left of - s lijeve strane

to the right of - s desne strane

on the corner of - na uglu

2. OTVORI udžbenik na stranici 61 i pažljivo POGLEDAJ sliku. Na njoj su označena mnoga mjesta u gradu. Pogledajmo čega ima, a čega nema na slici.

Is there a cinema? Yes, there is.

Are there two banks? No, there aren't. (There is only one bank.)

U bilježnicu zapiši sljedeća pitanja, a onda na njih odgovori kao u primjeru.

Yes, there is. - No, there isn't. - Yes, there are. - No, there aren't.

1. Is there a library?

2. Is there a swimming pool?

3. Are there two parks?

4. Are there two cafes?

**3. Ponovo pažljivo pogledaj sliku i pogodi o kojem mjestu u gradu se radi. Rečenice i svoje odgovore prepisi u bilježnicu.**

1. It is between the bank and the post office. \_\_\_\_\_
2. It is to the right of the theatre. \_\_\_\_\_
3. It is opposite the bakery. \_\_\_\_\_
4. It is on the corner of Elm Street and Main Street. \_\_\_\_\_
5. It is to the left of the police station. \_\_\_\_\_
6. It is behind the theatre. \_\_\_\_\_
7. It is next to the playground. \_\_\_\_\_
8. It is in Oak Street, near the park. \_\_\_\_\_

**4. Sada dopuni rečenice ovim riječima:**

**behind - opposite - between - near - left - right - corner - between**

**Dopunjene rečenice prepisi u bilježnicu.**

1. The theatre is \_\_\_\_\_ the cinema and the museum.
2. The market is in Short street, \_\_\_\_\_ the park.
3. The cinema is to the \_\_\_\_\_ of the theatre.
4. The post office is to the \_\_\_\_\_ of the police station.
5. The pet shop is \_\_\_\_\_ the toy shop and the sweet shop.
6. The nursery is on the \_\_\_\_\_ of Oak Street and Main Street.
7. The church is \_\_\_\_\_ the museum.
8. The book shop is \_\_\_\_\_ the library.

**Nakon ovog dobro obavljenog posla, zasluženno se odmori 😊**
