Dear Lucy,
I'm happy for you and Boo Boo. I have got a dog, too. His name is Gizmo. He isn't very big. He is brown. He has got long ears and a short tail. He can make a real mess. He can hide my school things, or he can put my shoes in the washing machine. But he also helps me a lot. He can bring me my jacket or a toothbrush. He likes playing with me. His favourite toy is a little ball. We go out together and play in the park.
Love, Kim
